Description

Volume One Siege Master is the ultimate guide to conquering any fortress. With detailed descriptions and captivating storytelling, this book will teach you everything you need to know to become a master of siege warfare.

From the basics of siege weapons to the most advanced siege tactics, this book covers everything you need to know to successfully besiege and capture any fortress. You'll learn about:

- The different types of siege weapons and how to use them
- The best siege tactics and strategies

- How to build siege towers and other siege equipment
- How to defend against a siege

With Volume One Siege Master, you'll be able to conquer any fortress and become a true master of siege warfare.

Reviews

"Volume One Siege Master is the most comprehensive and authoritative guide to siege warfare ever written. It is a must-read for anyone interested in military history or siege warfare."

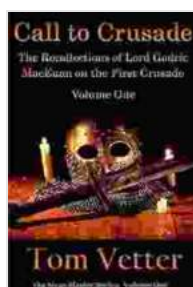

- Dr. Johnathan Phillips, Professor of Military History, University of Oxford

"The Siege Master is a master of his craft. This book is a treasure trove of knowledge and experience that will be invaluable to anyone who wants to learn about siege warfare."

- Sir John Keegan, Military Historian and Author
