

Mychael Danna's Haunting Score for The Ice Storm

Mychael Danna's haunting and evocative score for Ang Lee's 1997 film *The Ice Storm* is a masterwork of film music. The score perfectly captures the film's themes of family dysfunction, suburban ennui, and the search for connection.

The score is built around a series of recurring motifs, each of which represents a different aspect of the film's world. The main motif, which is heard throughout the film, is a simple but effective melody that captures the film's sense of longing and isolation. Other motifs represent the characters' relationships with each other, their struggles with addiction, and their search for redemption.
