Mary Oliver was one of the most celebrated and beloved poets of our time. Her work is known for its lyrical beauty, its deep connection to the natural world, and its profound insights into the human experience.

Upstream: Selected Essays is a collection of Oliver's most powerful and moving essays. In these essays, Oliver explores a wide range of topics,

from the beauty of the natural world to the power of language to the challenges of the human heart.

Oliver's writing is both personal and universal. She writes about her own experiences, but her insights resonate with all of us. She writes about the joy of discovery, the pain of loss, and the beauty of the everyday. She writes about the importance of paying attention to the world around us and the power of language to connect us to others.

Upstream is a book that will stay with you long after you finish reading it. It is a book that will inspire you to see the world with new eyes and to live your life with more passion and purpose.
